📍 Nigeria

Frank_Diba as he is popularly known, is a Visual and Digital Artist. Frank from his childhood always found happiness in creating entertainment for others. From his early days and far back to the days in Secondary school, He had not only the passion for Art, but that "Spunk". Frank's Art summones the mixture of his imagination and eccentricity. His Art seeks to preserve the Culture and brings in a fusion of Hip Hop and Afro Futurism. His style is inspired by his Nigerian Roots; the Everyday life becoming his Muse.

Diba has used his Art to create the visual identity of several brands, locally and internationally. In 2020, Diba won an International social media Art competition hosted by the Art community Human People in collaboration with Sienna™ a Coffee brand based In Canada, where he worked on the packaging of their brand for a year. In 2021, Diba bagged his first major contract with a Crypto influencer in Nigeria and Collaborated to Create Candle Head an NFT collection. Frank reaches out to brands in need of his services; with the Projects he has undertaken. Revved up with his experience of creating Art in school and on the Streets, he also works with online teachers, His mentors and His life coach. Along with his experience with creative apps and softwares like Adobe suit and Pro-create, Frank took his imaginative drawing skills further from working on custom Comic books to working and Training AI.

Diba is currently using his Art to penetrate the entertainment industry, Fashion and creating new frontiers through Full Movie Animations, Comics, Music Videos, the Web3 and manual Artworks. Frank seeks to Inspire people, tell his story and Expand the African Art Community.
